## NTTF ALUMNI ASSOCIATION OF VICTORIA

Celebrating 24 years

### *President's Message*

Dear Alumnus,

As you all are aware that NTTF Alumni Association Victoria is celebrating its 24<sup>th</sup> anniversary, I take the privilege to thank each and every NTTF Alumni and their family members who had put their valuable time and effort to see the association in this age.

The Association started 24 years ago with a combined motivation to bring every alumnus under a common banner and provide every opportunity to meet and exchange their vision, life experiences and knowledge that would benefit every member.

The Association believes in making short get together with families as part of the annual activity, provides a stage for interaction and fun for the children. The Association conducted an AGM & BBQ at Frog Hollow Reserve Park on 14<sup>th</sup> November 2015 and those who have attended would have really enjoyed it.

Any association can move forward with more participation and more innovative ideas. This can be accomplished by this new generation; here we are far behind in succeeding. This situation must change and we would like to see new faces on our driver's seat to move to higher destinations.

We would encourage new faces and fresh ideas from the younger generation to take this NTTF association to the future. We are committed to strengthen our association and provide greater benefits to our members.

Once again I would like to thank you and your family for participating in the activities, during 2015-16.

We look forward to seeing you all with your families during the Annual Function.

Also request all the NTTF families to join together and remember the old golden days of NTTF.

Thanking you for your co-operation

Vijayakumaran

President.
